

Andrea Hightower was born In Galveston to Herminia Cortez and Gregory Hightower. Her grandmother is Lucia Cortez. She grew up in Galveston County; living in League City and watching her mother's alma mater, the Dickinson gators on every Friday. She is a fusion of some of the best cultures; Hispanic, Scottish, and Italian. She has grown up to enjoy the many mixes that life can offer. From the fusions of being a tomboy to **Miss Galveston County USA 2022**, she is the best of both worlds. She is an IT/Digital Design contractor as well as a hair and makeup artist if you need another example of worlds colliding. Sticking to her southern roots, she is back after college and career-building; and settled into her Texas life. She is ready to take on Miss Texas USA on July 1-3 at the Hilton Houston Post Oak. She hopes you will cheer her on when the time comes as she is no stranger to the Dickinson Community.
